*The melancholy days are come, the saddest of the year,
Of waiting winds, and naked woods, and meadows brown
and dead;
Heap'd in the hollows of the grove the withered leaves
lie dead;
They rustle to the eddying gust and to the rabbit's tread.*

Say, Hunters, can't you just fairly FEEL that wind
and see the rabbit scurrying over the fields? It's a little
too early yet, but now's a good time to get your

Gun and Shells, Hunting Coats and Leggings.

We have a swell and nobby line this year, complete in
every detail, and can fit you out. Come and see.

Mr. Farmer, now's the time to think about the win-

need a pair, come in.

We'll tell you next week about what things of inter-

IF Dr. COOK had for his Private Secretary one WILLIAM LOEB, he could relieve himself of this denying business at once.

HAVING nothing else to divide it, the Democratic party will now proceed to divide over the Tariff.—Augusta, (Ga.) Chronicle.

An exchange says: "Here is the way papers will write up weddings ten years hence: 'The bride looked very well in a traveling dress, but all eyes were centered upon the groom. He wore a dark suit that fitted his form perfectly and in his dainty gloved hands he carried a small rose. His curly hair was beautifully done, and a delicate odor of hair oil of the best quality floated down the aisle as he passed. The young people will miss him now that he is married. He is loved by all for his many accomplishments, his tender grace and winning ways. The bride commands a good salary as bookkeeper and the groom will miss none of the luxuries to which he has been accustomed. A crowd of pretty men saw him off at the depot.'"

A PAINLESS DEATH.

 A teacher in the factory district of a New Jersey town had been giving the children earnest lectures upon the poisonousness of dirt.
 One morning a little girl raised her hand excitedly and pointed to a boy who seldom had clean hands.

Free Sample Aids Old Men

The sudden change from years of activity of both body and mind to the quiet of later years causes the human system to undergo many changes, chief of which is in the digestive organs.

It becomes harder and harder to get the bowels to move promptly and regularly and in consequence many elderly men suffer not only from the basic trouble, constipation, but from indigestion, headache, belching, sour stomach, drowsiness after eating and similar annoyances. It is first of all necessary to keep the bowels open and then to tone the digestive muscles so as to get them to again do their work naturally. A violent cathartic or purgative is not only unnecessary but harmful, and something mild will do the work just as well.

After you have got through experimenting with salts and pills and waters of various kinds, and have become convinced that they do only temporary good at best, then try Dr. Caldwell's Syrup Pepsin, a mild, gentle, pleasant-tasting laxative- tonic that is especially adapted to the requirements of old people, women and children, and yet is effective enough for anybody. Your druggist, who has handled it successfully for a quarter of a century, will sell you a bottle for fifty cents or one dollar, but if you want to make a test of it before spending any money send your name and address to Dr. Caldwell and he will gladly send you a sample bottle free of charge.

This remedy is rapidly displacing all other forms of medication for the cure of stomach, liver and bowel trouble, and families like Mr. O. F. Wisner's of Sycamore, Ill., and Mrs. Carrie Culler's of 325 N. Notre Dame street, South Bend, Ind., are now never without it in the house. They have tested it and know its grand value to every member of the family.

Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. Explain your case in a letter and he will reply to you in detail. For the free sample simply send your name and address on a postal card or otherwise. For either request the doctor's address is Dr. W. B. Caldwell, R. 507 Caldwell building, Monticello, Ill.

 Yesterday evening about 5 o'clock a colored boy, in passing Wood Bros. slaughter house in the Fleming pike, discovered the new rendering house on fire. He gave the alarm and all the good people of the neighborhood, headed by Circuit Judge-elect C. D. Newell, responded, and by united and quick action the blaze was extinguished before the Wood Boys were informed of the fire. The damage will amount to about \$50, with no insurance. Wednesday night their meat store in Market street was entered and the cash drawer robbed of the cash, which fortunately only amounted to 35 cents. Nothing else was disturbed.

JUDGE FOR YOURSELF

Which is Better—Try an Experiment or Profit by a Maysville Citizen's Experience.

Something new is an experiment. Must be proved to be as represented. The statement of a manufacturer is not convincing proof of merit.

But the endorsement of friends is. Now supposing you had a bad back. A lame, weak or aching one. Would you experiment on it? You will read of many so-called cures. Endorsed by strangers from far-away places. It's different when the endorsement comes from home.

Easy to prove local testimony. Home endorsement is the proof that backs every box of Doan's Kidney Pills.

Read this case:

J. M. Lloyd, farmer, R. F. D. No. 5, Maysville, Ky., says: "I am only too pleased to tell of my experience with Doan's Kidney Pills and hope that it will be the means of helping some other sufferers from kidney trouble in finding relief. About five years ago my kidneys suddenly became disordered and for several months I was bothered by constant, dull pains across my loins. When I stooped or lifted, sharp twinges shot through my body and caused the most intense suffering. I at length heard of Doan's Kidney Pills, procured a box at J. J. Wood & Son's Drugstore and began using them. They effected a complete cure, and since then I have not had backache or any other symptom of kidney trouble."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Correct Shoe Fitting

Fall Shoes.

We cannot emphasize too forcibly the importance of a perfect fit. It is a correct fit over the toes, giving them plenty of room, ease and comfort. The heel must have that flexible, gentle pressure which makes the snugness of snug fits. That you will find in shoes that are made on lasts that conform to the natural shape of the foot. That is what makes the fit so accurate.

Our stock has every grace line to make them attractive.

Briefly, the reason is suppleness—they bend with the foot.

PUBLIC LEDGER

A postal deficiency of \$17,479,770, an increase of \$559,491 over last year, was announced in the annual report of Merritt C. Chance, Auditor of the Postoffice Department.

The Cincinnati Enquirer yesterday contained the following of former residents of this city: "On June 14th, 1902, Emily M. and John A. Waggett were married in London, England, and one child was born to them, a son, now 6 years old. Yesterday the wife filed suit in the Common Pleas Court here, asking for a divorce, alimony and custody of the child. She charges neglect and failure to provide, and she says that, though she has been ill for a long time and was forced to undergo a surgical operation at a hospital in this city, he refused to pay any attention to her or to send her any money, and also refused to pay her hospital bill. She also says that he has abandoned her and their child, and he is now living in Pittsburgh."

Bald Heads

Not Wanted
Baldness is Too Generally
Considered a Sign of
Advanced Age

A bald-headed person does not have an equal chance with one blessed with a healthy head of hair, because baldness is too generally accepted as an indication of age. Many large corporations have established an age limit, and refuse to take men over thirty-five years of age as new employees.

Almost 65 per cent. of bald-headed people may regain a good head of healthy hair if they will follow my advice and accept my offer. I have a remedy that positively guarantees to grow hair on any head, unless the roots of the hair are entirely dead, their follicles closed, and the scalp has become glazed and shiny. I want people to try this remedy at my risk, with the distinct understanding that unless it does exactly what I claim it will, and gives satisfaction in every respect, I shall make no charge for the remedy used during the trial.

I know exactly what I am talking about, and with this offer back of my statements no one should scoff, doubt my word or hesitate to put my remedy to an actual test.

I want every one suffering from any scalp or hair trouble, dandruff, falling hair or baldness, to try my Rexall "93" Hair Tonic. I want them to use it regularly—say until three bottles have been used—and if it does not eradicate dandruff, cleanse and refresh the scalp, tighten the hair in its roots, and grow new hair, I will return every cent paid me for the remedy for the mere asking. There is no formality expected and we exact no obligation from the user whatever.

I am established right here where you live, and make this offer with a full understanding that my business success entirely depends upon the sort of treatment I accord my customers, and I would not dare make the above offer except that I am certain that I can substantiate it in every particular. Rexall "93" Hair Tonic comes in two sizes, 50 cents and \$1. Remember you can obtain Rexall Remedies in Maysville only at my store—The Rexall Store. Thos. J. Chegeweth.

ORIOLE CONCERT COMPANY

Second Entertainment of the High School Lecture Course

The second entertainment of the High School Lecture Course was given last evening, attended by even a larger audience than that of the opening number.

The Oriole Concert Company, composed of Misses Edna Rickard, reader; Martha Stelzl, soprano and violinist; Helen Barnard, cornetist, and Mildred Lehner, cellist and accompanist, gave a very delightful entertainment and charmed the audience, judging from the applause which was given every number of the program.

Each member of the Company is an artist, but Miss Rickard seemed to be the favorite with the Maysville people. Her selections were very good, and the musical numbers, instrumental and vocal, of the other members of the company were also much enjoyed.

This series of entertainments given in the Auditorium of the High School have met with marked approval by the people of this city, and the Lecture Committee is delighted with the appreciation that has been accorded their efforts.
